EDITORIAL

Dear Reader;

In the second issue of 2024, we are here with very high-quality scientific studies. We are happy that our readability rate is increasing every day. In this issue, we are here with 5 original article, 1 case report and 1 brief report.

I would like to express my gratitude to everyone who contributed and hope to see you again in the next issue.

Prof. Dr. Ahmet Akın SİVASLIOĞLU
